Early Learning Starts Here

Give Your Little Ones **The Best Education**

Pre-school and day care offering individualized, education-based learning programs with experienced, credentialed staff.

Full & Part-Time

Open from 7:00 am to 6:30 pm daily, we offer flexible full and part-time schedules. Summer programming is available from July-August.

Education-based

Language Arts & Literature, Creative Arts, Science, Outdoor Play, Problem Solving, Developmental Physical Education, Computer Science, More.

Infants to Pre-K

Because we believe that continuity in day care is better for child development, we meet the needs of children from six weeks through pre-kindergarten.

RIDGEWOOD

INFANT/TODDLER
DEVELOPMENT CENTER

The Best in Early Childhood Education

Why ITDC?

- A program of Ridgewood Public Schools, our unique curriculum is designed to offer a well-balanced learning experience, providing excellent education in a loving and nurturing environment, to children 6 weeks old through age 4.
- We believe continuity is better for child development, so students move up together each September with the same group of children from the previous year.
- Our facility is a certified school building, with fully equipped, light-filled classrooms, a gymnasium, multiple playgrounds, an on-site nurse, and more.
- ITDC teachers are long-tenured and dedicated to early learning
- The program has an excellent staff-to-student ratio, meaning that each student receives lots of focused attention and support
